

REMARKS

In accordance with the Office Action, rejected Claims 19 and 20 are cancelled. Claim 21 is also cancelled but rewritten as new independent Claim 22 incorporating the limitation of Claims 19 and 20.

New Figure 3 has been prepared and included to show the Controller as required by the Office Action. The Specification has been revised to include Figure 3. No new matter has been added by this drawing. If the examiner approves of the new Figure 3, formal drawings for all 3 Figures will be prepared and filed.

We trust this Amendment fully addresses all issues raised in the Office Action. If any issues remain which may be resolved by a phone conversation, please call me.

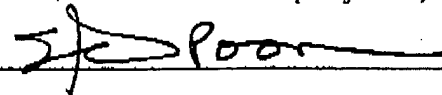

Respectfully submitted,

Donald J. Ranft, Esq.
